House Rules

Definitions

Capitalized terms in these House Rules have, where not otherwise defined, the same meaning as in your Agreement. All references to “common areas” include lounges, pantries, corridors, as well as sitting and reception areas. All references to the “Client’s staff” include the Client’s officers, directors, employees, shareholders, partners, agents, representatives, contractors, customers, guests and visitors.

Etiquette and Safety

1. Compass takes pride in providing a great place to work for all our clients. To maintain a comfortable, pleasant and professional environment for all our clients, the Client and the Client’s staff must:
 - a. Observe business and professional dress codes at all times while in the business centre;
 - b. Keep noise levels to a minimum in offices and common areas;
 - c. Use common areas only with Compass’s consent and keep them in order;
 - d. Refrain from conducting open business activities, meetings or gatherings in common areas and from conducting meetings or gatherings with third parties in offices;
 - e. Use lounge and pantry facilities for their intended purposes and keep them clean after use;
 - f. Not allow animals or livestock to enter the business centre other than verified or registered service animals; and
 - g. Not block, cover or write on any windows or glass in the business centre.
2. Compass tries to maintain a clean and professional work environment for all of our clients. To assist in this, the Client and the Client’s staff must leave the common areas and meeting rooms they have used in the condition they have found them, including returning dirty cutlery and dishware to the pantry, remembering not to leave personal possessions behind after use, and cleaning up after themselves, and advising Compass as soon as possible of any messes or spills that the Client or the Client’s staff cannot clean up themselves.
3. Compass also aims to provide a safe place for all of our clients. We encourage all of our clients to familiarize themselves with the floor plan and fire exits nearest to their workplace. To ensure the safety and security of the business centre and the building, the Client and the Client’s staff must:
 - a. Keep corridor, exit and connecting doors closed at all times;
 - b. Not leave office spaces unattended without locking all doors;
 - c. Not leave their property unattended in common areas; and
 - d. Follow all directions given by Compass staff or building management staff with regard to maintaining the safety of the building and the business centre.

4. The Client should attempt to conserve energy by switching off lights and other electrical apparatus when leaving the office.

Centre Use

5. The Client may obtain a number of access cards up to or equal to the number of workstations provided to the Client in the Agreement. To obtain more access cards, the Client may sign up for the Habitat Gold Membership and inquire about that membership with reception. For each access card, the Client must pay the Access Card Fee as a deposit (the "Card Deposit"). The Card Deposit shall be held on the same terms, as set out in the Agreement, as the Deposit. The Client must advise Compass as soon as possible if a card or key is lost, damaged or stolen. If a card or key is lost, damaged, stolen or not returned the Client will pay to Compass the Access Card Fee per card and the Office Key Replacement Fee per key.
6. Clients who require the use of breakout areas for work may subscribe for the Habitat service available on a daily or monthly basis.
7. If the Agreement is for Compass Point, the service may only be used by one individual, it cannot be shared among individuals.
8. In select centres, Compass or the building management may use security cameras for security purposes.
9. The Client shall always lock the doors to the allocated offices and, if the Client uses the business centre outside of normal working hours, ensure the front door to the business centre is locked. Please clean up after yourself.
10. Compass and the Client shall, at all times, comply with all relevant anti-slavery, anti-bribery, anti-corruption, and anti-money laundering laws. The Client shall, upon request by Compass, provide all documents and information to Compass necessary for Compass to comply with those laws.
11. Compass may terminate the Agreement immediately and without notice if the Client is or the Client's staff are a member of, closely related to or have provided services or goods to any organized crime group.
12. Compass has taken great care to fit out the business centre in a way that is conducive to use by its clients and satisfies the restrictions put in place by its landlord. Any alteration, additional fixture, installation, wiring or removal thereof, requires Compass's prior written consent. This applies to all areas, including but not limited to offices, meeting rooms, workstations, windows, walls, wall partitions, glass partitions, corridors, doors and common areas.
13. To ensure a comfortable and pleasant environment in the building and business centre, the Client and the Client's staff must not smoke anywhere in the business center or the building. Smoking means all forms of smoking and includes, but is not limited to, cigarettes, cigars, electronic cigarettes and vaping. The smoke from smoking creates an unpleasant smell that can permeate furniture and surfaces. It also presents a hazard to the building and other persons as it can

cause fires or trigger alarms or fire suppression systems. It also presents a risk to our head lease and may increase the cost of our own reinstatement obligations. On the first violation of this provision, the Client shall pay to Compass the Smoking Charge. On the second violation of this provision, the Client shall pay to Compass the greater of the Smoking Charge and one (1) month's office fees. On the third violation and any subsequent violations of this provision, at Compass's sole election, either Compass shall terminate the Agreement or the client shall pay to Compass the greater of the Smoking Charge and one (1) month's office fees. If the Agreement is terminated under this provision it does not put an end to any then outstanding obligations the Client may have under the Agreement and the Client must pay for any additional services the Client has used and all fees and charges for the remainder of the current period, which Compass is unable to mitigate. The Client acknowledges that this is a reasonable pre-estimate of Compass's damages in case of the Client or the Client's staff smoking in the business centre or building in light of the risk to the building, its occupants and to Compass's lease of the business centre.

14. To ensure the safety and comfort of all users of the business centre, Compass's prior written consent is required before the Client may store or use any potentially hazardous items in the business centre or building, including but not limited to: heavy machinery, heating or cooking devices, flammable items, audio amplification machines, vending/coin operated machine, refrigeration devices, coffee-making equipment, hot plates, odorous fluid or objects, weapons or firearms, explosives or fire hazards.
15. To help preserve the safety and security of our business centres and to ensure that we are able to operate in compliance with all laws and our own lease, the Client and the Client's staff must not, at any time:
 - a. Do anything that may interfere with the use of the business centre or building by Compass or by others or cause any nuisance or annoyance to Compass or others;
 - b. Use corridors, halls, elevators and stairways for any purpose other than for egress and ingress and must keep them unobstructed;
 - c. Manufacture, sell, gift or use liquor, narcotics or tobacco in any form;
 - d. Use the business centre as a place of lodging or sleep in the business centre;
 - e. Canvas, solicit or peddle in the building or in the business centre without prior written consent from Compass and, if applicable, the landlord for the building;
 - f. Erect or place any signs, posters or promotional material in the common areas of the business centre or building or in or on any windows or glass within the business centre or building;
 - g. Keep, make or have any open flame in the business centre or the building;
 - h. Remove furniture, fixtures or decorative materials from the business centre or the building without prior written consent from Compass and, if applicable, the landlord for the building;
 - i. Abuse shared facilities within the business centre;

- j. Use, display or reproduce trademarks, logos or any other intellectual property owned by Compass for any purpose or reason without prior written consent of Compass;
- k. Engage in any type of harassing or abusive behavior or verbal or physical abuse or threat of any kind or nature toward Compass's team members or other clients in the building or business centre for any reason;
- l. Use the business center for any immoral, repugnant or illegal purposes; and
- m. Transmit or store any information, data or material that are of immoral, obscene or illegal nature in, through or via the business centre, the building, the Internet or other network services provided by Compass.

Payments and Default

- 16. Incidental services are available to the Client and the Client's staff in the business centre according to availability and in accordance with Compass's then current published rates. If Compass decides that a request for any particular service is excessive, Compass may charge an additional fee. Please enquire with reception with regard to availability and pricing.
- 17. For telephone services, the Client may be required to pay a usage fee depending on the kind of call. The fees for that service are charged in accordance with Compass's then current published rates.
- 18. Compass's invoices are due on the date indicated on the first page of the invoice. If payment is not received by the due date the Client shall pay to Compass the Office Late Fee for office agreements or the VO Late Fee for virtual office or membership agreements on the outstanding amount unpaid. Further, the Client shall pay interest at a rate of 1.5% per month on all arrears, calculated monthly, from the due date until the date Compass receives payment. Because payments which are returned or rejected by financial institutions for insufficient funds, or other reasons, incur a fee to Compass, if any payment is returned or rejected by a financial institution the Client shall pay to Compass the Rejected Payment Fee in compensation for the bank charges billed to Compass as a result. If the Client's services are resumed after being suspended in enforcement of the Agreement the client will pay the Service Reactivation Fee to reactivate their account.
- 19. If the Client disputes any part of an invoice. The Client must pay the amount not in dispute by the due date.
- 20. Compass prefers that our clients arrange payment by bank transfer as the fastest and simplest form of payment. If the Client wishes to pay by cheque, the Client shall include in the payment the Cheque Posting Fee for each cheque in addition to the underlying amount being paid. If the Client wishes to pay by credit card they will pay to Compass the Credit Card Fee, being an administrative fee calculated as a share of the invoice amount, per payment in addition to the underlying amount being paid.
- 21. If the Client has multiple service agreements with Compass and is in breach under one service agreement, Compass may treat this breach as a breach of all or any of the Client's service agreements and avail itself of all remedies under the service agreements. Compass may hold all deposits paid pursuant to all or any of the Client's service agreements with Compass as security for the Client's

obligations under all or any other service agreement between the Client and Compass and may apply the deposits in satisfaction of those obligations.

22. At the end of the Agreement the client must change its government and other registrations so that they no longer include the business centre. We understand that this process may take some time and involve coordinating changes at multiple places. To ensure the Client has time to make those changes and to ensure mail is forwarded and the address is still available to the Client without significant cost at the end of the Agreement the Client will be provided a Business Continuity Package consisting of Compass's transition, wind down, and business forwarding services for three (3) months and will pay to Compass the BCP Fee for these services. The Client must advise Compass of its forwarding address and contact details after the Agreement ends. Additional virtual office services are available upon request and written agreement with Compass.
23. At the end of the Agreement or if the Client relocates to a different office, Client shall pay to Compass a fee for exit cleaning and repainting in the amount equal to the Make Good Fee per square meter of the office assigned to you or the Compass Point Make Good Fee per square meter for Compass Point services, which includes exit cleaning, painting works, carpet cleaning, and furniture re-organising. If there is any damaged furniture the Client shall pay to Compass the Furniture Restoration Fee per item of damaged furniture.

The Client can obtain both wired and Wi-Fi access under the same VLAN/SSID, subject to availability. Please refer to Compass's latest IT service price guide for charges.
- Compass's Internet service is based on a business grade circuits shared with other Compass clients within the same office building.

This provides an uncontended, symmetrical connection of the Client's selected bandwidth. The base DIA service provides no public IP address with the option to subscribe for and deploy additional public IP addresses.
- The Client is also able to obtain the following services, the fees for which are set out in Compass's latest IT service price guide:
 - deployment of public IP addressing;
 - running server-based solutions that require inbound connectivity (e.g. an FTP, web or mail server); and

- deployment of its own "firewall" to manage its own LAN and VPN connections.
26. The Client acknowledges that Compass does not monitor the content of information transmitted through Compass's telecommunications lines or equipment, which includes, but is not limited to, Internet access, telephone, fax lines and data lines ("Telecommunications Lines"). The Client further acknowledges that Compass merely provides a conduit for Client's Internet transmissions, similar to a telephone company, and that Compass bears no liability for the content of transmissions sent by or to the Client.
27. Compass's Internet service may be used by the Client only for lawful purposes and shall not be used in connection with any criminal or civil violations of state, federal or international laws, regulations or other government requirements. Such violations include without limitation theft or infringement of copyrights, trademarks, trade secrets or other types of intellectual property; fraud; forgery; theft or misappropriation of funds, credit cards or personal information; violation of export control laws or regulations; libel or defamation; threats of physical harm or harassment; or any conduct that constitutes a criminal offence or gives rise to civil liability. The Client is responsible for maintaining the basic security and virus protection of the Client's systems to prevent their use by others in a manner that violates the Agreement. The Client is responsible for taking corrective actions on vulnerable or exploited systems to prevent abuse.
28. The Client shall only use the Internet and telecommunications systems and services provided by Compass. The Client shall pay a monthly equipment rental fee for the use of each telephone instrument and voice line and shall pay service fees for each device connected to the Internet service in accordance with the Agreement. Compass grants the Client access to Compass's Internet service on a per user access basis. If the Client increases the number of users by using a Client owned gateway device (router, firewall etc.) or by other means, the Client agrees to pay Compass a fee for each user who accesses the Internet, either directly or through such gateway device. Where the Client wants to use its own wireless access points, the Client must obtain written approval from Compass, prior to implementation. The Client's use of its own wireless router will result in a service charge based on the total number of contracted workstations in the Client's designated office(s).
29. In no event may the Client or the Client's staff increase its authorized access points to telecommunications or data lines by means of wire splitting or any other method, including wireless devices. If the Client or the Client's staff breach paragraph 28 above, Compass may disconnect the Client's access to the telecommunications and data lines after three (3) business days prior written notice to the Client. The Client shall pay all Compass's fees for any unauthorized telecommunications or data lines used upon invoice from Compass. Compass shall have no obligation to reconnect the Client to the telecommunications or data lines until such fees have been paid in full and the Client has ceased to make unauthorized access.
30. IT Cabling installed at the Client's request must be removed from the building after the Client's departure to ensure conduits have sufficient space to allow cabling for other users of the building. Should Compass install the Client's own IT

cabling, on the Client's request either before or after commencement of the Agreement, and should the said cabling not be removed before the end of the Agreement, the Client shall pay to Compass the Cable Removal Fee.

31. The Client and the Client's staff must not violate Compass's system or network security. Compass's Internet service may not be used in connection with attempts – regardless of success - to violate the security of a network, service or other system. Examples activities the Client is prohibited from include, without limitation, hacking, cracking into, monitoring or using systems without authorization; scanning ports; conducting denial of service attacks; and distributing viruses or other harmful software. Compass reserves the right to suspend the Client's Internet access on receipt by Compass from a recognized Internet authority or ISP of a notice alleging the Client has engaged in a breach of this paragraph or requiring suspension of the Client's Internet access. Compass may disconnect the Client's equipment and withhold services if Compass considers that the Client's hardware or software is, or has become, inappropriate for connection to Compass's network. The Client is responsible for the Client's own virus protection on the Client's systems and hardware.
32. Compass's Internet services are only available at Compass locations and connection to Compass's network is only permitted at those locations or via Compass's provided services. The Client and the Client's staff must not create any links between Compass's network and any other network or any telecommunications service without Compass's consent.
33. As part of its Internet services to the Client, Compass may provide third-party Internet access and computer hardware and software ("Third-Party Services"). COMPASS DISCLAIMS any and all liability, including any express or implied warranties, whether oral or written, for such Third-Party Services. The Client acknowledges that no representation has been made by Compass as to the fitness of the Third-Party Services for the Client's intended purpose.
34. If the Client stores any of its equipment in Compass's telecommunications room at the business centre, such equipment is stored at the Client's own risk. Compass disclaims any and all liability for such equipment and shall not be liable for any losses or damage to such equipment.
35. Compass shall not be liable for any damages, including lost profits, arising out or resulting from any use of the Internet services or loss or degradation of service, connectivity or access to the Internet services, even if Compass been advised of the possibility of such damages. The foregoing shall apply, to the fullest extent permitted by law, regardless of the negligence or other fault of either party.

36. Compass may have many users using its Internet services from time to time within the business centre. Compass's Fair Use Policy is intended to ensure all users of the business centre have fair access to the internet through our Internet services. The principles of Compass's Fair Use Policy are to:

If the Client's or the Client's staff's use continues to be excessive or unreasonable Compass may manage, limit or terminate the Client's access to the wired or Wi-Fi internet service. Actual download and upload speeds that the Client experiences may be less than the specifications, because it may be affected by the device used, locations, network conditions and other extraneous factors. The Compass customer service team will alert the Client should Compass apply the provisions of the Fair Use Policy to the Client.

6. 客戶如需使用共享公作間工作，可以按日或按月訂購 Habitat 服務。
7. 鑑於安全理由 Compass 或大廈管理人員可能會在個別中心使用監控攝像頭。

付款與違約

15. 商務中心的客戶和其僱員可根據可用狀況以及按照 Compass 當時公佈的收費獲得附帶服務。如果 Compass 認為對任何特定服務的請求超出範圍，Compass 可能會收取額外費用。請向接待處詢問可用狀況和價格。
16. 關於電話服務，客戶可能需要根據通話類型支付使用費。此項服務的費用根據 Compass 當時公佈的價目收取。
17. Compass 賬單的付款到期日列印在賬單首頁。如果在到期日沒有收到付款，客戶應向 Compass 支付辦公室協議的辦公室逾期還款費，或為虛擬辦公室或會員協議支付虛擬辦公室逾期還款費。此外，客戶應按每月 1.5% 的利率支付所有欠款的利息，由到期日起直至 Compass 收到付款之日，按每月計算。如銀行賬戶因資金不足或其他原因被退回或拒絕款項，將對 Compass 產生費用，因此，如果任何款項被銀行退回或拒絕，客戶應向 Compass 支付退回款項費，用以補償銀行向 Compass 收取的銀行費用。如果本《協議》在本條款下的暫停服務結束後恢復執行，客戶將向 Compass 支付《客戶守則》中規定的服務恢復費。
18. 如果客戶對賬單的任何部分存在爭議，客戶必須在到期日前支付沒有爭議的金額。
19. Compass 傾向於客戶選擇銀行轉賬為最快捷、簡單的支付方式。如果客戶希望用支票支付，則除支付基礎金額之外，還應另付每張支票的支票處理費。如果客戶希望用信用卡支付，則除支付基礎金額之外，還應按賬單金額的比例支付行政費，即信用卡手續費。
20. 如客戶與 Compass 簽訂多項服務協議，並違反其中一項服務協議，Compass 可將此違約行為視為違反所有或任何服務協議，並根據服務協議採取各種補救措施。Compass 可持有根據客戶與 Compass 簽訂的所有或任何服務協議支付的所有按金，作為客戶與 Compass 簽訂的所有或任何其他服務協議下的客戶義務擔保，並可將按金用於履行這些義務。
21. 《協議》到期時，客戶必須更改其政府註冊和其他註冊信息，不再將商務中心設為其地址。我們理解，這個過程可能需要一些時間，並且需要在多個機構協調變更。為確保客戶有時間進行更改，確保郵件的轉發，地址在《協議》結束時仍可供客戶使用，且不會產生大額費用，我方將向客戶提供為期三(3) 個月的業務連續計劃，協助其業務過渡、業務結束和業務轉移服務，客戶將向 Compass 支付此項服務的業務持續計劃費用。《協議》到期後，客戶必須告知 Compass 其轉發地址和聯繫方式。其他虛擬辦公室服務可按要求與 Compass 簽訂書面協議。
22. 在《協議》到期後，或客戶搬遷到其他辦公場所，客戶應向 Compass 支付搬離清潔和重新粉刷的費用，金額相當於被分配辦公場所的面積乘以每平方米的修復費或乘以每平方米的 Compass Point 修復費，包括搬離清潔、粉刷工程、地毯清洗和家具整理。家具如有損壞，客戶應按每件損壞家具支付家具修復費用。

隱私

24. 客戶和其僱員特此明確同意以電子或其他形式收集、處理、使用和轉讓客戶和其僱員提供給 Compass 的某些個人資料，以提供《協議》所涵蓋的服務。客戶和其僱員理解並同意，拒絕或撤回同意可能會影響 Compass 提供《協議》所涵蓋服務的能力。客戶和其僱員理解並同意，Compass 及其附屬公司、子公司或母公司可能持有客戶和其僱員的某些個人信息，包括但不限於姓名、住宅地址和電話號碼、出生日期或身份證號碼、部分財務資料、身份證明文件、國籍和職稱（“個人資料”），僅用於提供《協議》所涵蓋的服務之目的。客戶和其僱員理解並同意，個人資料可能會轉移到 Compass 的任何附屬公司、子公司或母公司以及 Compass 可能選擇的第三方，以協助 Compass 提供《協議》所涵蓋的服務。客戶和其僱員理解並同意，個人資料的接收人可能位於其他國家和地區，接收人的國家和地區的數據隱私法律和保護可能與客戶所在國家和地區不同。客戶和其僱員理解並同意，為了執行本《協議》，其個人資料可能會轉移到第三方。

網絡科技與通訊政策

本網絡科技與通訊政策適用於客戶使用 Compass 互聯網連接服務、電訊服務和設備的情況。Compass 的互聯網服務可為客戶提供常規商業活動的互聯網連接，例如網絡瀏覽、發送和接收電子通信的功能以及使用商業應用程式。

- 根據公平使用政策條款，Compass 向所有客戶（菲律賓除外）提供標準共享公共 Wi-Fi 服務。

- 對數據安全級別要求較高的客戶可訂購 Office Wi-Fi 或 Corporate Wi-Fi 服務（私人 SSID），提高網絡頻寬速度，但該服務視可用狀況而定。客戶可在同一個 VLAN/SSID 下接入有線網絡和 Wi-Fi，但該服務視可用狀況而定。收費請參考 Compass 最新的網絡科技服務價格指南。
- Compass 的互聯網服務基於與同一辦公大樓內的其他 Compass 客戶共享的商業數據專線。
- 客戶可購買各種流量的專用互聯網接入 (DIA) 連接，但該服務視可用狀況而定。客戶所選頻寬可提供無競爭對稱連接。基本 DIA 服務不提供公共 IP 地址，可以選擇訂購和安裝額外公共 IP 地址。
- 客戶還可以獲得以下服務，費用見 Compass 最新資訊技術服務價格指南：
 - 公共 IP 地址安裝；
 - 設置公司專用伺服器解決方案（如 FTP、網絡或郵件伺服器）；和
 - 安裝專用“防火牆”管理內部 LAN 和 VPN 連接。

25. 客戶確認，Compass 不會通過 Compass 電訊線路或設備監控傳輸的信息內容，包括但不限於互聯網、電話、傳真線路和數據線（“電訊線路”）。客戶進一步確認，Compass 只是為客戶的互聯網傳輸提供通道，其功能類似於電話公司，對客戶發送或接收的傳輸內容不承擔任何責任。

26. 客戶需合法使用 Compass 的互聯網服務，不得用於違反州、聯邦或國際法律、法規或其他政府要求的任何刑事或民事行為。此類侵權行為包括但不限於竊取或侵犯版權、商標、商業秘密或其他類型的知識產權；欺詐；偽造；盜竊或挪用資金、信用卡或個人資料；違反出口管制法律或法規；誹謗或中傷；身體傷害或騷擾威脅；或任何構成刑事犯罪或引起民事責任的行為。客戶應負責維護客戶系統的基本安全和病毒防護，防止其他人以違反《協議》的方式使用系統。客戶有責任對易受攻擊或被利用的系統採取糾正措施，防止濫用。

27. 客戶只能使用 Compass 提供的互聯網和電訊系統及服務。根據《協議》客戶應每月支付使用每台電話儀器和語音線路的設備租賃費，並支付連接到互聯網服務的每台設備的服務費。Compass 只授權每位已付服務費的用戶使用 Compass 互聯網服務。如果客戶擅自安裝網關設備（路由器、防火牆等）或以其他方式增加用戶數量，則同意支付 Compass 每一直接或通過此類網關設備使用互聯網的用戶費用。如果客戶希望使用自置的無線存取點，則必須在實施前獲得 Compass 的書面批准。如客戶使用自己的無線路由器，則需要根據客戶指定辦公室的合約工作位總數量收取服務費。

28. 在任何情況下，客戶或其僱員均不得通過線路分割或任何其他方法（包括無線設備）增加其授權電訊或數據線存取點。如果客戶或其僱員違反上述第 28 項規定，Compass 可在提前三 (3) 個工作日向客戶發出書面通知後，切斷客戶對電信和數據線路的連接。客戶應根據 Compass 的賬單為任何未經授權的電訊或數據線路全額支付 Compass 的費用。在客戶已停止進行未經授權的使用及支付全額費用之前，Compass 沒有義務為客戶重新連接電訊或數據線路。
29. 根據客戶要求安裝的電線鋪設必須在客戶遷出後從大廈中拆除，以確保線槽中有充足的空間為大廈其他用戶鋪設電線。如果 Compass 根據客戶要求在《協議》開始之前或之後安裝客戶自行提供的電線，並如所述電線在《協議》結束之前沒有拆除，客戶則應向 Compass 支付電線拆除費。
30. 客戶和其僱員不得違反 Compass 的系統或網絡安全。無論成功與否，Compass 的互聯網服務不得用於侵犯網絡、服務或其他系統的安全。禁止客戶進行的活動示例包括但不限於黑客攻擊、入侵、監控或未經授權使用系統；掃描端口；實施拒絕服務攻擊；以及傳播病毒或其他有害軟件。如 Compass 從認可互聯網機構或互聯網服務供應商收到對客戶違反本段規定的指控或要求暫停客戶使用互聯網的通知，Compass 保留暫停客戶使用互聯網的權利。如果 Compass 認為客戶的硬件或軟件不適合連接到 Compass 網絡，Compass 可以切斷客戶的設備並拒絕服務。客戶應負責自身系統和硬件上的病毒防護。
31. Compass 的互聯網服務僅可在 Compass 所在地使用，並且僅只允許在所在地或通過 Compass 提供的服務連接到 Compass 網絡。未經 Compass 同意，客戶和其僱員不得在 Compass 網絡和任何其他網絡或任何電訊服務之間建立任何鏈接。
32. 作為向客戶提供的互聯網服務的一部分，Compass 可能會提供第三方互聯網連接和計算機硬件和軟件（“第三方服務”）。對於該等第三方服務，COMPASS 概不承擔任何和所有責任，包括任何明示或暗示的口頭或書面保證。客戶確認，Compass 未對第三方服務是否適合客戶的預期目的作出任何承諾。
33. 如果客戶將其任何設備存放在商務中心的 Compass 機房，則該設備的存放風險由客戶自行承擔。Compass 對該設備不承擔任何責任，亦不對該設備的任何損失或損壞負責。
34. 因使用互聯網服務或因服務、連接或互聯網服務連線的損失或服務質素下降造成的任何損害（包括利潤損失），Compass 概不負責，即使已向 Compass 告知此類損害的可能性。在法律允許的最大程度上，無論任何一方的疏忽或其他失誤，上述條款均將告適用。

互聯網公平使用政策

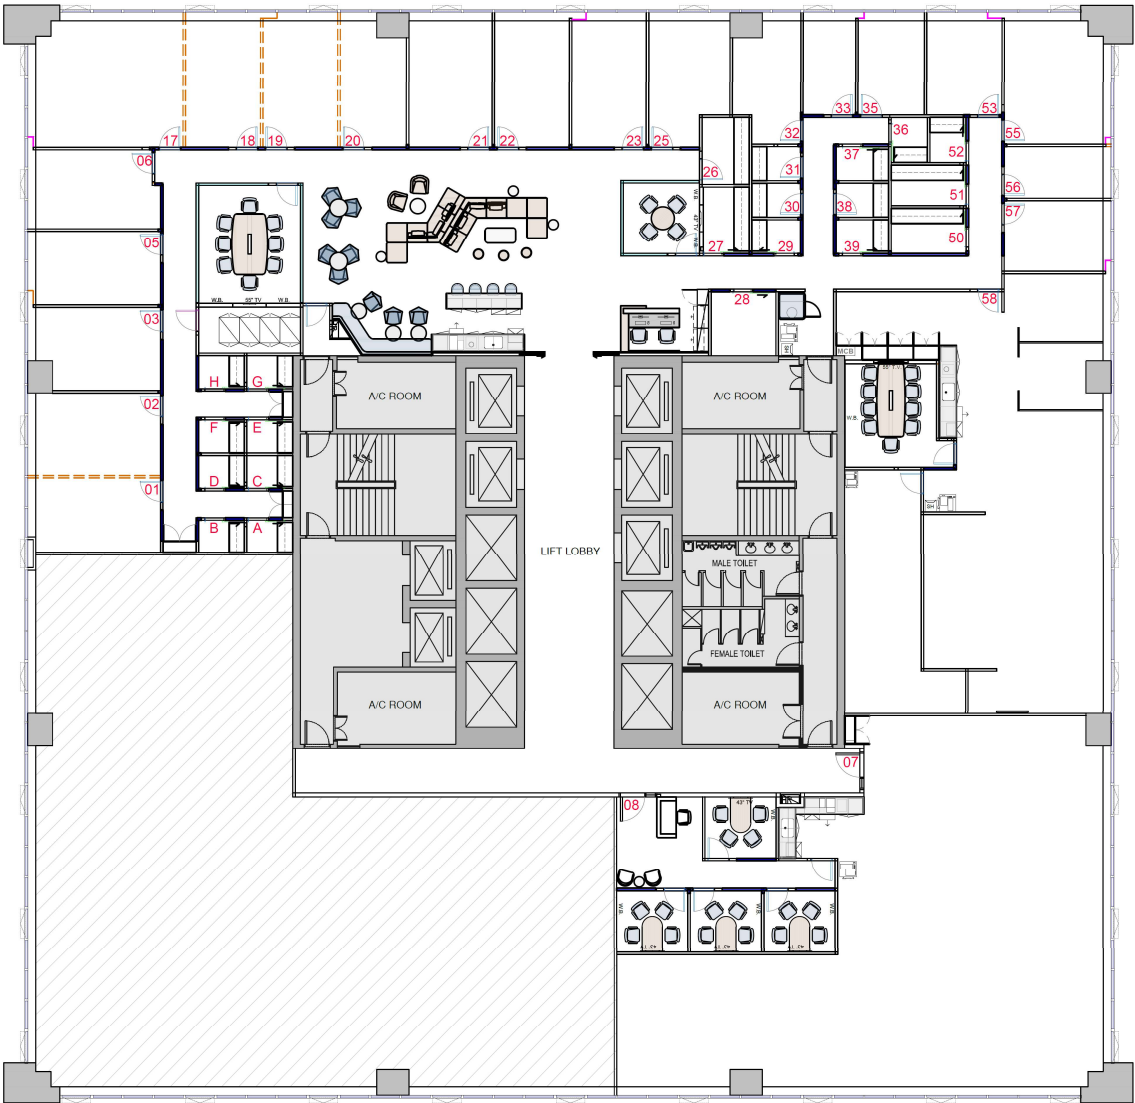

35. 可能會有許多 Compass 的用戶在商務中心內不時使用其互聯網服務。Compass 公平使用政策旨在確保商務中心的所有用戶均能夠通過互聯網服務公平使用互聯網。Compass 公平使用政策的原則如下：
- a. 確保 Compass 網絡的所有用戶均能夠在任何時候公平使用有線和 Wi-Fi 互聯網服務；
 - b. 確保 Compass 的網絡性能不受極端使用的不利影響；以及
 - c. 允許本地服務使用高用量頻寬要求的應用系統（如點對點文件共享），但應限制過度使用，避免影響 Compass 的網絡性能。
36. Compass 可以監控客戶和其僱員對互聯網服務的使用量。如果 Compass 合理地認為客戶對有線或 Wi-Fi 互聯網服務使用過度或不合理，Compass 應聯繫客戶，並建議使用專用互聯網服務以滿足客戶或其僱員的需求。如果客戶或其僱員繼續過度使用或不合理使用，Compass 可以管理、限制或終止客戶對有線或 Wi-Fi 互聯網服務的使用。客戶的實際下載和上傳速度可能低於說明，原因是可能會受到所用設備、位置、網絡條件和其他外部因素的影響。Compass 客戶服務團隊應提醒客戶適用的公平使用政策的規定。

一般與免責聲明

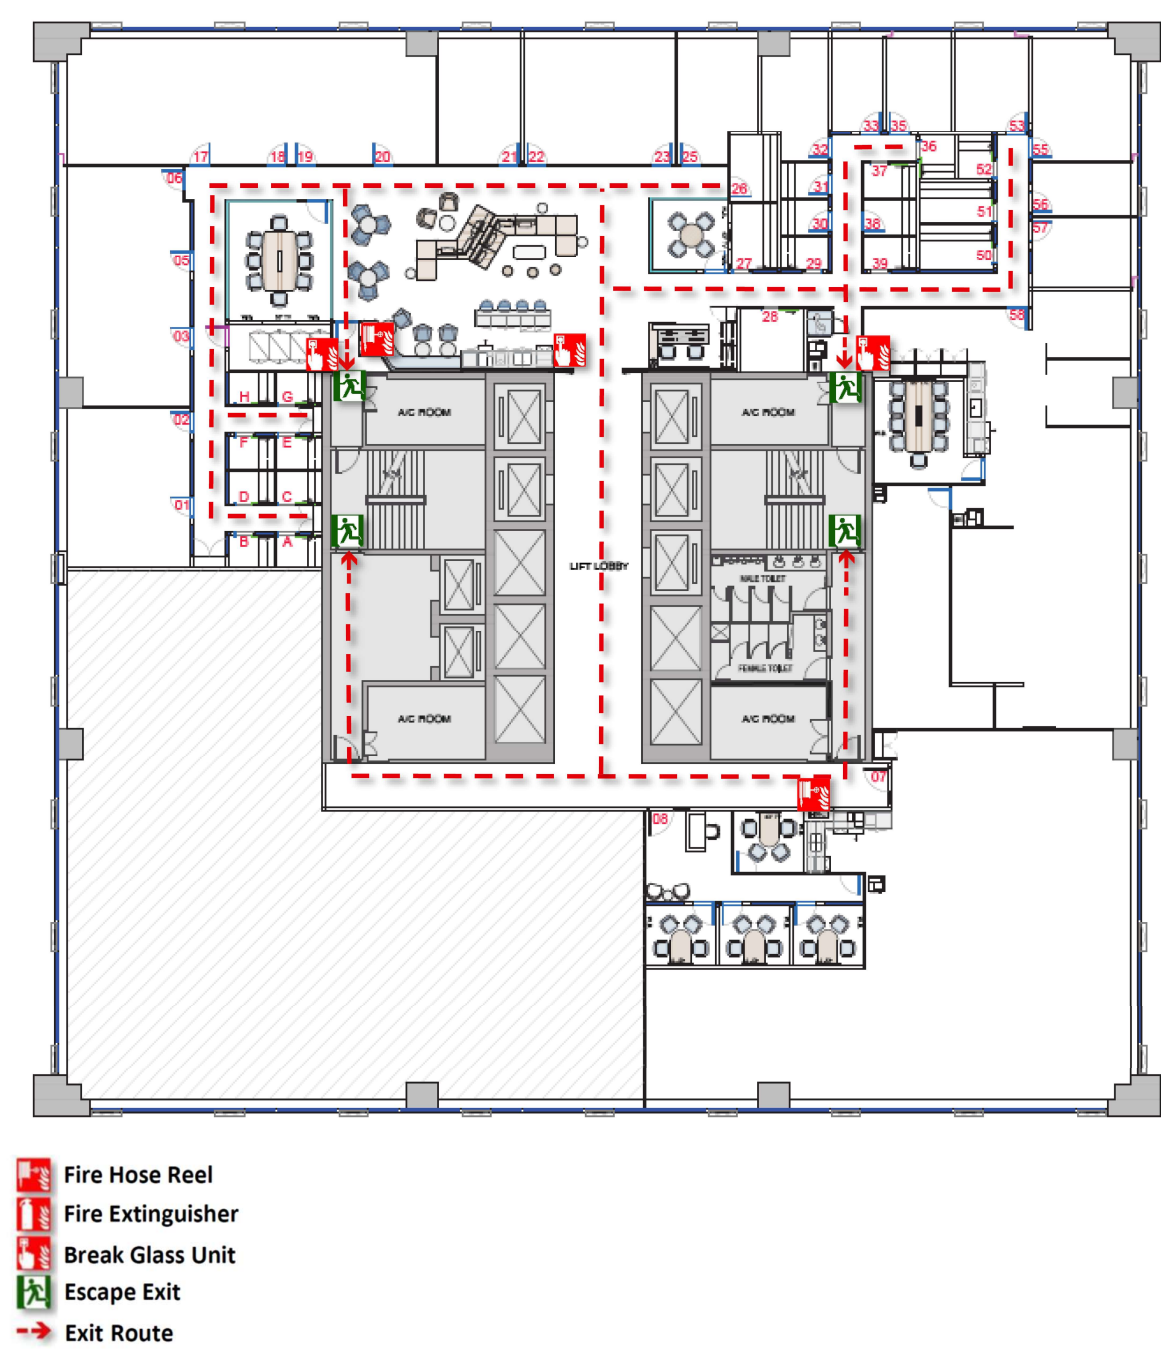

37. 本《客戶守則》中規定的價格和費用可由 Compass 自行決定變更，並在通知客戶後立即生效。Compass 可以透過發送賬單通知客戶。
38. Compass 對於其他 Compass 客戶違反或不履行本《客戶守則》的行為概不負責，但應盡合理努力統一執行本《客戶守則》。
39. Compass 可自行決定變更或修改本《客戶守則》以及在任何聲明中構成本《客戶守則》一部分的文件；任何此類變更應立即生效，無需通知客戶。
40. 如果客戶違反《客戶守則》中的任何規則，Compass 有權根據《協議》暫停或終止《協議》，或選擇 Compass 在法律或衡平法上可獲得的任何其他補救措施，Compass 明確保留採取該等措施的權利，不受限制。
41. 本《客戶守則》是 Compass 和客戶之間任何產品或服務協議《商務條款》的組成部分，可根據客戶要求提供文本。因此，無需客戶簽署表示同意本《客戶守則》。
42. 除本《客戶守則》中明確規定外，若非得到雙方書面同意，任何一方向另一方發出的口頭或書面聲明、指令或索賠均不得影響或修改本《客戶守則》的內容。
